Re: Harris County Emergency Services District No. 11 (the "District") – June 2020
Operations Check to Cypress Creek Emergency Medical Services Association
("CCEMS")

Dear Messrs. Johnson and Nealy:

The District is in receipt of correspondence dated July 8, 2020, but received on July 9, 2020, from CCEMS' attorney Mr. George Vie, transmitting the previously-requested CCEMS loan documentation. The District also understands that CCEMS has placed another 12-hr (peak) ambulance in service. These actions were taken by CCEMS to comply with the Board of Commissioners action at the June 18, 2020 meeting authorizing payment to CCEMS for 70% of the amount invoiced by CCEMS subject to these actions being taken.

Pursuant to direction from Mr. Vie on July 14, 2020, we are transmitting directly to you check no. 1414 in the amount of \$927,500 made payable to CCEMS, which is tendered under protest pending the resolution of some of the Board's other concerns that have been conveyed to CCEMS.

Please do not hesitate to contact our office if you have any questions.

Very truly yours,

Regina D. Adams
General Counsel for the District
